Review of Town Zoning Ordinance

The Plan Commission mainly discussed Farmland Preservation. A Town citizen is interested in the program but the Town's Zoning Ordinance needs to have contain language specific to Farmland Preservation before anyone can apply for it. Don Gisch has been communicating with Timothy Jackson, Wisconsin Department of Agriculture, Trade and Consumer Protection, about what needs to be in the Town's zoning ordinance in order to meet the criteria. Jackson had some suggestions and said that he was willing to give a presentation.

The Plan Commission decided to ask the Town Board for direction before proceeding with adding Farmland Preservation language to the proposed Zoning Ordinance changes.

Future Meeting Date and Agenda

The next Plan Commission meeting was set for July 20th at 6:30 p.m. The agenda will include: Minutes from 6-16-2021; Review of Zoning Ordinance pages 1-19.

The Chair adjourned the meeting at 7:55 p.m.
