### **Cemetery Report:**

The recent hailstorm pounded the plants in the memorial garden. It will take a couple of days of group effort to pull the garden back into a planting state for the fall. A few dents in the gazebo roof and legs, but nothing that requires replacement. Caretaker will spray asphalt parking lot to take care of weeds.

After a brief discussion of the current cemetery ordinance and fees a motion was made by Donna Juleff and seconded by Chris Jensen to amend the previous (2023) ordinance and remove all mention of dollar amounts, and to have an annual review of a cemetery fee schedule. The clerk will work on these items and bring them back in August for approval so that sales of lots can begin on September 1, 2025

Bills were approved to be paid.

Meeting adjourned at 7:10 pm.
