Minutes: 8-12 2025:

The draft minutes from the July 8 Town Board meeting were accepted as submitted.

Financial Report: July Reconciliation:

Financial report stood as submitted

Citizens Concerns:

Marcella Billes was present to levy a complaint about items discussed at the Zoning meeting held earlier. After receiving a phone call from a neighbor-she was upset about 'gossip'. Supervisor Chris Jensen gently reminded her that anything said at an open meeting was grist for the mill. She was thanked by Chair Brad Anderson for attending, she left shortly thereafter.

6:40pm Supervisor Kurt Manore arrives

Road Report:

Some ditches did not get mowed this month, especially a road in Porcupine. As Boyd Spring had been recently seal coated, loose gravel signs were out, but not soon enough for some residents. The hill has been patched towards Big Plum.

Cemetery Report:

The town received a \$100 donation from the Juliot Family. Debra will meet with Mary Varnum the last Monday in August at Little Plum Methodist cemetery.

Cemetery Ordinance/Regulations: Motion was made by Josh Manor and seconded by Chris Jense to approve the amended cemetery ordinance.

Cemetery Fees: Motion made by Donna Julef and seconded by Kurt Manore to approve new cemetery fees-to be review annually.

Zoning Ordinance: Motion made by Josh Manor and seconded by Chris Jensen to approve the updated and revised zoning ordinance. This will next go to the county for notification and approval. Unanimously approved.

Bills were approved to be paid.

Meeting adjourned at 7:30 pm.
